A Dedication To

Coach

The yearbook staff dedicated our yearbook to the boys gym teacher and Athletic Director of our school, Mr. Fowler. Mr. Fowler, affectionately known as "Coach", has been behind the bench of nearly every sport during his 28 year tenure at S.L.C. Mr. Fowler is most notably known for the volleyball dynasty which he has engineered for our school. At one time during his volleyball coaching career Mr. Fowler had directed his squad to 14 consecutive sectional championships.

A native of Dundee, New York "Coach" joined our school system in 1948. Since that time he has become a friend to nearly all of his students. He is willing to talk to his students about everything from his Tuesday Night Bowling to the sport's teams latest victory and sometimes even more controversial issues.

In today's fast paced society Mr. Fowler stands fast as a leader in his field. He refuses to turn his gym classes into something which his students dread to attend, instead he wants gym to be a period looked forward to by its students and a time for fun.

In closing, we would like to say thanks "Coach" and "All right you guys, round ya go"———

Our Advisors

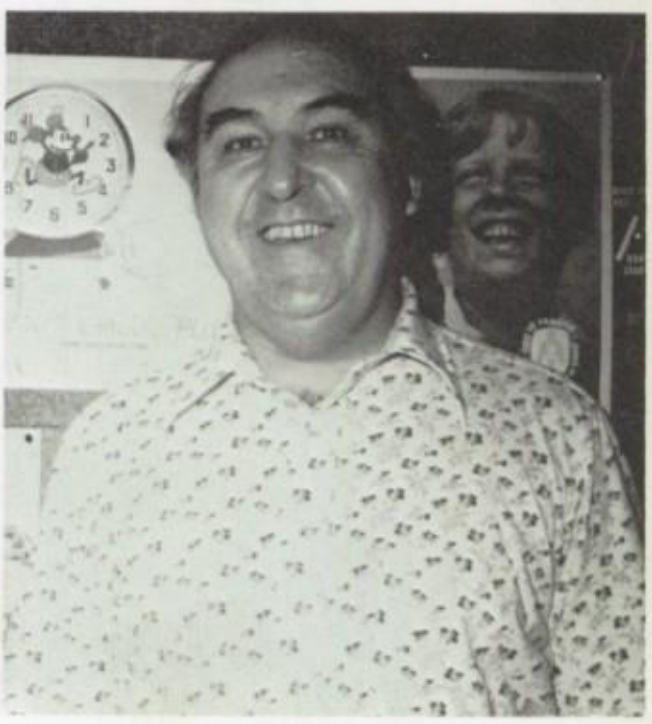
Our Advisors

They've been with us
through good and bad
They've made us happy
They've made us sad.

They've guided us,
Accepted all our faults.
Helped us to take disappointments
with a grain of salt.

Leaving you
we shed our tears
and thank you
for the past four years.



A Chapter Complete

Mrs. Mary Buckley was married to Dr. Patrick Buckley, Sept. 15, 1955. She was well-known throughout the Tri-Town Community. Her family consists of Mike, Cathy, Patty, Greg and Mary Ellen. The echoes of your laughter ring in the chambers
Of my mind I am happy. Still remembering what
Cruel Death left behind I thought of you as you
had been a rampant bloom of light times that will
Never come again make me cry into the night I cry
for you, I sing for you words fade into the years
You will hear the songs I sing for you my songs-
Now touched with tears but I'm happy, for the dead
are free your goodness was too rare you weren't
meant for immortality Heaven needed you there.

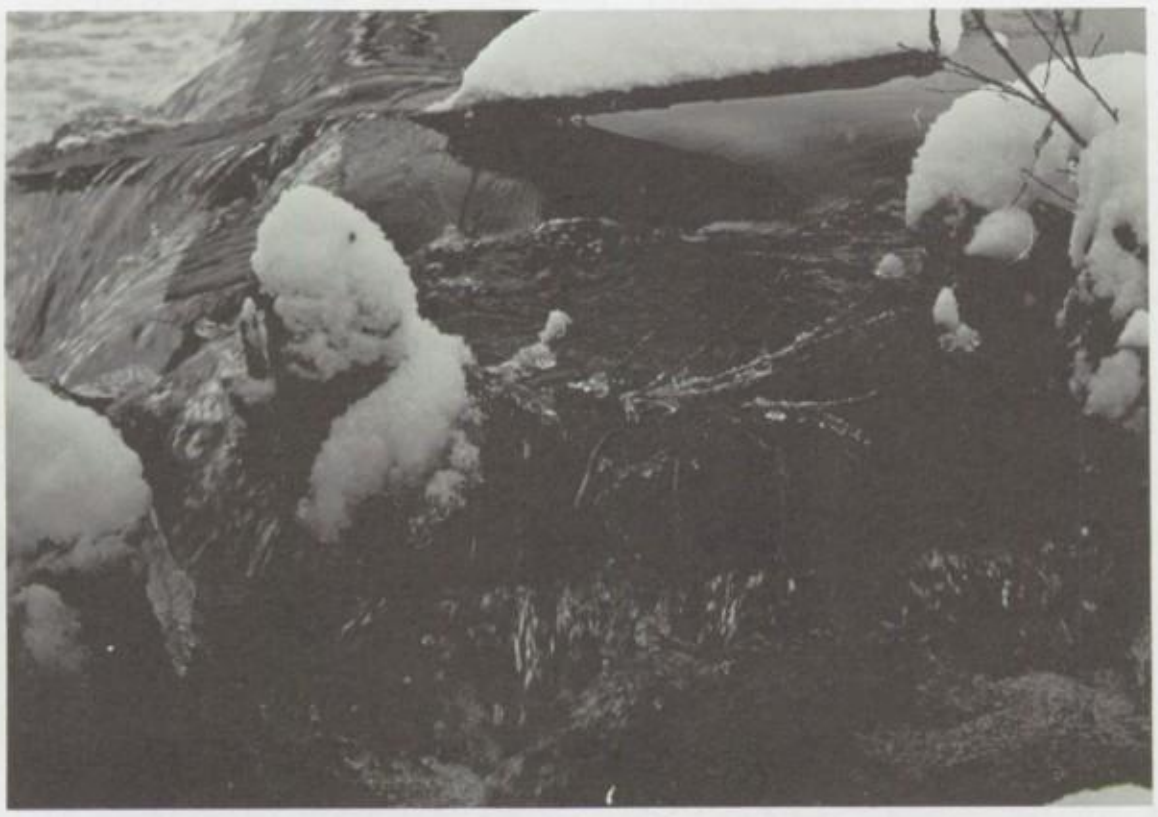
Fall Reflections

A Road
Skipping along the road
Not knowing where to go
Feeling free as a gentle leaf
Falling
Bt never reaching
The ground
With a road
That never
Ends.

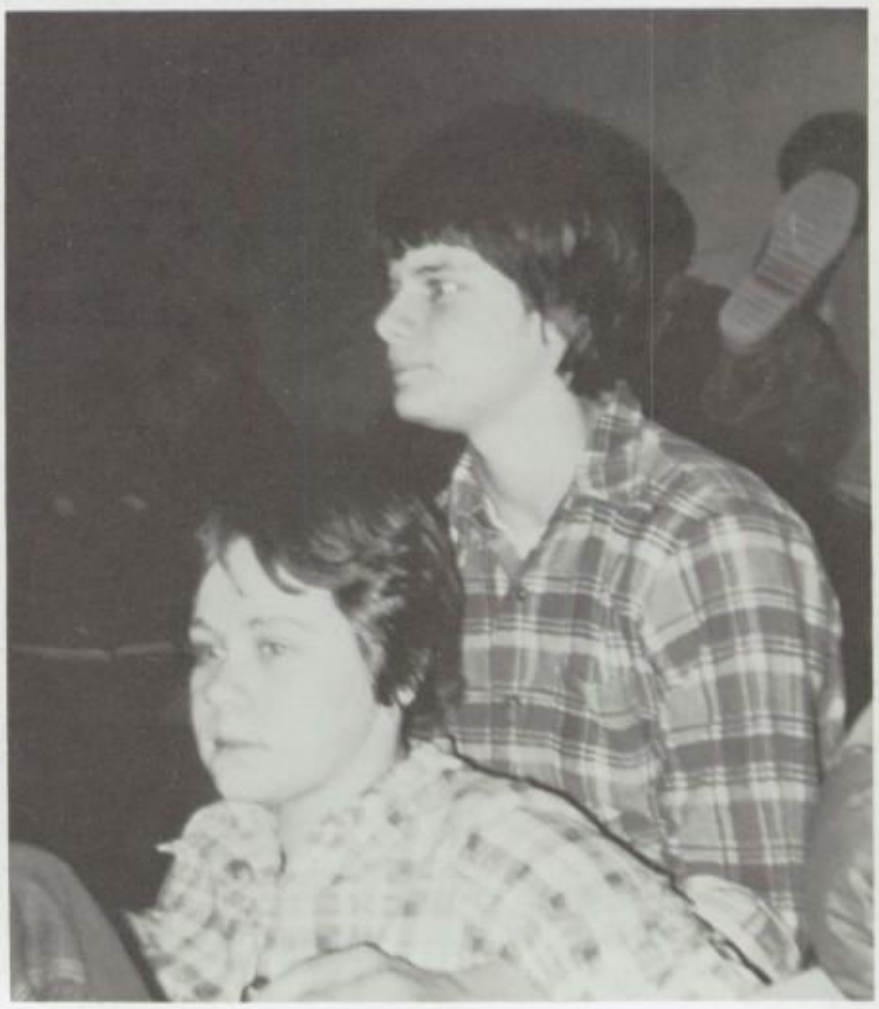
Green blades
of grass
lightly touched
by frost,
hearts never
found and
loves never
lost.



Winter Moods

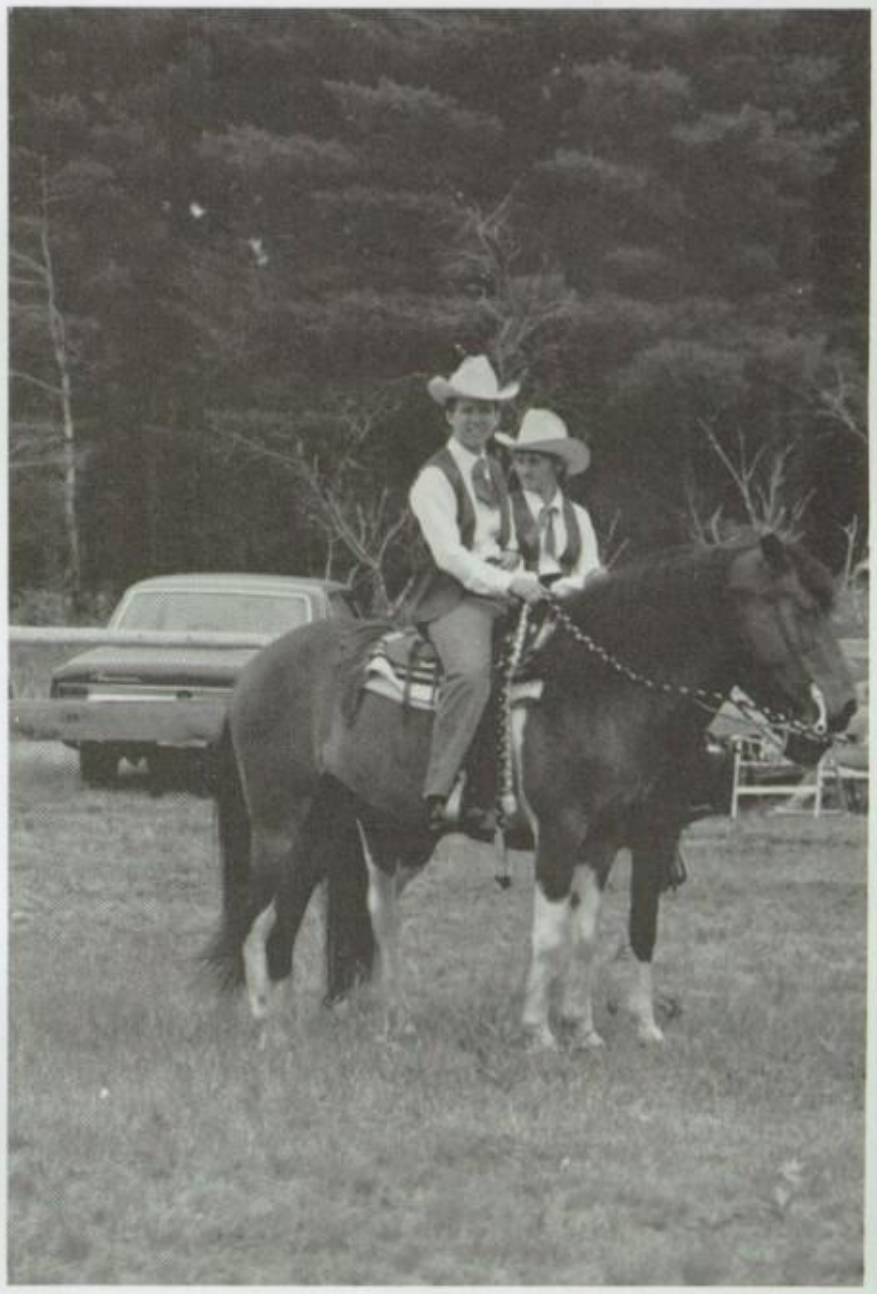
Winter soon
will be gone,
its life melts
away,
Leaving only
a memory.

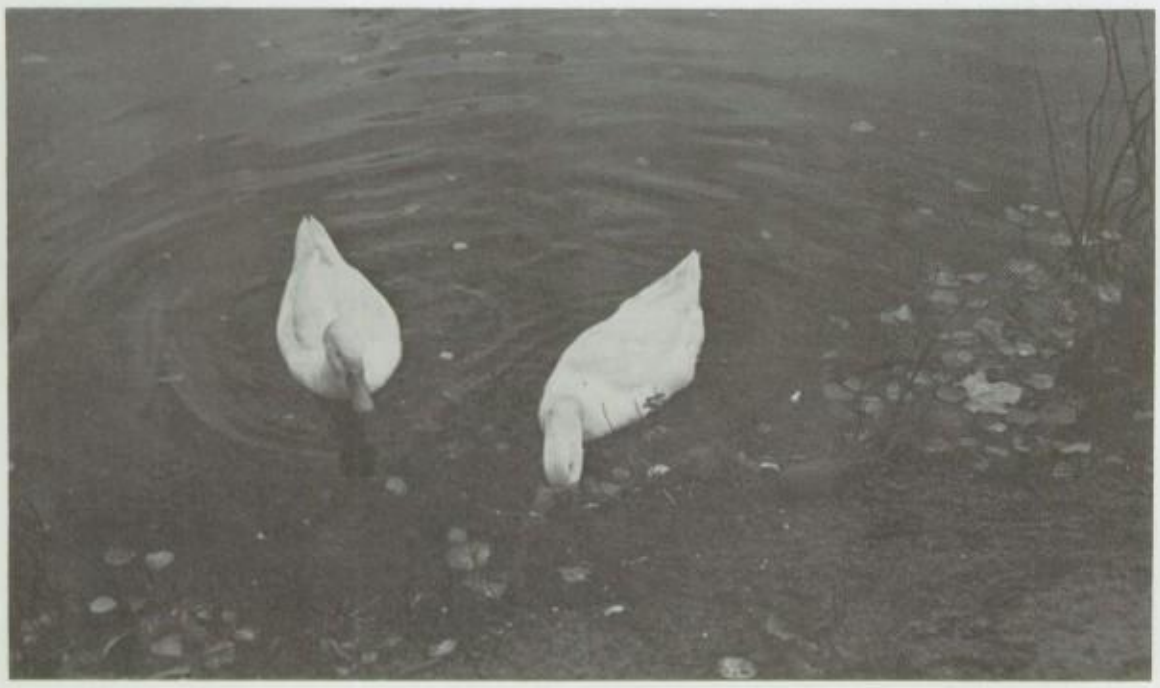
The snow falling
looks so beautiful
makes everything seem all right.



Spring Thoughts

The sun flirts through the trees,
Kisses the shimmering pools,
And dances away over the water.





When the flowers bloom
in the warmth of spring,
I think of you when the
robins sing.

What was once a matter of dull and routine classroom information comes to life as one is challenged day after day to assimilate a whole panorama of different faces, color, sounds, and new ideas. Traveling is to be enjoyed with a straight forward passion, a passion with which one anticipates an exciting experience, or thinks back on it afterwards.

First Time For The Saints

The summer of '76 proved to be very eventful for the Marching Saints. For the first time the band competed at the New York State Fair and at the St. Lawrence County Fair. This new experience has given the band members a valuable insight to band competition. The band Booster Club which was organized during the summer consists of interested adults who have given their support to the Marching Band. Under the direction of Mr. Peter Goloski, the band has formulated many plans for the new school year, in addition to the summer festivities the band participates in many of the other activities in and out of school.

Mr. Hobson

The Student Abroad Program at St. Lawrence Central is designed to give the students a feel for adventure overseas - a feel which will make them want to learn about Europe. Some of the teachers have given the students an adventure they will never forget.

In 1970 Mr. Hobson took 7 students for fifteen days to the Netherlands, Germany, Switzerland, Austria, Italy, and France. The students enjoyed everything from the dikes and windmills of Amsterdam to the romantic canals of Venice.

Mrs. Sennett and 15 students traveled through France, England, and the Netherlands in 1972. The weather in Europe was beautiful as usual. They spent two weeks enjoying traditional sights such as the Arc de Triumph, museums, and canals.

Last spring Mr. Wesolowski chaperoned 16 students while traveling through England and the Netherlands for nine days. In London they saw familiar sights such as the changing of the guards, and the Tower of London. In Amsterdam the students enjoyed the flower market and the diamond factory.

This spring Mr. Dalbec will take eleven students to Denmark and England for a week.

Since 1970, seventy SLC students and their chaperons: Mr. Dawson, Mr. & Mrs. Fowler, and Mrs. Paige have had the Good fortune to participate in programs of overseas travel. These programs help students to understand what they are seeing and involve them in the actual experience of discovering Europe.

Something About The Team

The girls soccer team has to be given credit for all the work they have put into their team. They may not have won many games but they have put up a great defense. The first year, coached by Mrs. Paige, they lost most of their games, but not by more than one or two points. They did, however, tie many of their games. Their second year, coached by Mrs. Bernard, also was very competitive. They won one game over Massena with a score of two to nothing. They showed a lot of spirit throughout the season. In their third year, they are still a young team but they are trying hard. This last year, Debbie Ramsey, and Connie Lynch won first team All Northern, Holly Dessert, Diana Hoppe, and Chris Compo won second team All Northern. This years coaching credit can be given to Mr. Kear. Next year they will be losing four seniors, but hopefully they will be gaining many new players who will try just as hard. The future looks pretty good for the girls soccer team if they keep up the good work and their sportsmanship.

The Varsity Basketball team has lost all its games this year however they have put in a great deal of effort. Having shown improvement hopefully they will end this season with a couple of wins. During his first season as Varsity Coach Mr. Williams has done a good job with the small team.

The 1977 edition of the SLC Larries JV Basketball team is under the direction of a new coach this year, Mr. Wesolowski. Mr. Wesolowski makes his coaching debut during a tough time. This is a building year for the JV ballhandlers as they only have 3 returnees, Webb, Jenkins, and Stuart. The 77 edition is an inexperienced squad but they are showing steady improvement. Although the team is winless to date they are working hard and don't expect to stay that way.

- Phil - Best of Luck always to a really nice guy. Mr Wes & I always Knew that if anyone showed up for practise it would be Phil Douglas. Let's face it you are reliable!

Although not boasting a winning season, the 1976 Larrie Track team did improve through hard work and determination. Four school records were broken during the season. Gary Grenier broke the high jump record of 5'6" with a new record of 5'8". Larry Grenier set a new 440 record of 53.4 seconds. Winnie Simpson set a new 880 record of 2:07, and the mile relay team of Gary Grenier, Larry Grenier, Winnie Simpson, and David Grenier set a new record of 3 min. 41 seconds.

Thanks for the help and the determination. You're a Sweetie! Judy Lee :)

Coach Frank Mammano completed his baseball coaching career at SLC by leading the 76 edition to a successful 7-5 record. The team defeated Brushton, Salmon and Clifton in both encounters this year. They also split the series against the Lumberjacks of Tupper Lake and fell victim twice to both Norwood-Norfolk and the Madrid-Waddington Yellowjackets. Paul White was voted as a first team All-Northern and Mickey Demo, Tim O'Connor, and Craig Stevens received All-Northern honorable mention recognition.

The 1977 team should be an exciting team with all returning lettermen and some strong talent moving up from the JV's. Patty Burkett was the scorekeeper and Vince Derouchie and Ward Dailey managed the club. The "Crow", Dan Farnsworth ended his ballboy career on a successful note by catching his first ever foul ball.

In closing we would like to thank Mr. Mammano for a job well done with the baseball program at SLC and wish the team the best of luck under their new coach.

Coach Rick Williams managed his very first JV baseball team to a 7-6 record. Coach Williams went into the season without 7 potential starting players as they had been called up to the Varsity squad, but finished the season with a 4-4 league record.

Six sophomores led the 76 edition of the Junior Varsity in the hitting department. Jim Ryan led the team with a .486 batting average, followed by Greg Normile .412, Bob Ramsdell, .366, Randy Brown .355, Kevin Fiske .352, and Scott Hartigan .333. This club had an impressive .302 team batting average.

Jim Ryan and Scott Hartigan led the mound crew with identical 3-3 records. Tom Kelly picked up one win for the Larries.

The "boys" scored 104 runs on 118 hits. They smashed 4 HR's on the year and had 16 doubles and 3 triples. Behind the speed of players like Scott Hartigan and "Link-a-Dink" Normile the team stole 46 bases.

Jim Ryan, Randy Brown, Coach Williams, Todd Brown, Bob Griffin, Bob Ramsdell, Kevin Fiske, Mike Stewart. Stan Mott, Greg Buckley, Tom Kelly, Scott Hartigan, Greg Normile, Mike Deno, Bernadette Jenkins.

Feeling Groovy

To Each His Own, As We Go Our Way

I see the ghost of a year that has died
Memories of the hugs. and the tears that were cried
Farewells were said - then each turned his own way
Faces bear words that we wish we could say
My friends. be your best and remember it all
Turn your back to the wind and always stand tall
Remember how carefree we all used to be
And remember your struggles with dear S.L.C.
It's all over now - we will go through the door
Each teacher and book gone - forever more
We now look ahead to a future unknown
But our memories won't let us be alone
Hold on to them - place them somewhere in your mind
And remember St. Lawrence - for it's one of a kind.
